

Project Initialization & Planning Phase

Date: 7 july 2026
Team Members: C. Lokesh, G. Sankar
Project: Personalized Networking Assistant

Customer Problem Statements

ID	Customer	Objective	Challenge	Reason	Impact
PS-1	Engineering Student	Build meaningful connections at technical events.	Unsure how to begin conversations with professionals.	Limited awareness of suitable discussion topics.	Feels hesitant and less confident.
PS-2	Early Career Professional	Expand professional network.	Finding common interests with attendees is difficult.	Limited understanding of audience background.	Feels under prepared.
PS-3	Graduate Job Seeker	Create a positive first impression.	Unable to maintain engaging discussions.	Different events require different preparation.	Feels anxious and uncertain.
